GA No. 1793 of 2001
Old No. 228 of 1988

Hon. P.C. Verma, A.C.J.

Heard Learned A.G.A. and perused the judgment and order dated 21.10.1987 and evidence on record.

From the perusal of the evidence on record, I find that the acquittal is based on the cogent reasons. Learned A.G.A. could not convince me today any other view than the view taken by the trial Court. I do not find any merit in appeal.

The appeal is accordingly dismissed.
